INITIAL (SECOND) (THIRD) DISBURSEMENT FORM

Our records indicate that you previously deposited money with Union Planters Bank, NA to be invested in life insurance policies with Mutual Benefits Corporation. The Court has determined that such investments constitute securities under federal securities laws, which require certain filings and disclosures. An injunction was issued and a Receiver appointed.

On September 1, 2004, the law firm of Tew Cardenas filed a lawsuit on behalf of all investors whose money had not been invested into a policy before May 4, 2004, requesting that the money be returned to investors. The Court agreed and ordered that such funds held by Union Planters Bank before final closing on the investments should be returned to investors and not be turned over to the Receiver.

The amount below reflects only that money you may have deposited in Union Planters Bank prior to May 4, 2004 and which was not invested in an insurance policy. In other words, you may have invested other money, but this Form does not address those other investments or deposits.

Please note that the Court has set aside the interest that this money may have accrued to pay for the expenses associated with the return of your money, including attorneys' fees. Specifically, the Court has already ruled the Tew Cardenas firm is entitled to attorneys' fees and costs to be paid from the interest that is being set aside for the lawsuit they filed on your behalf.

Although you are receiving 100% of the principal you invested, the fees and costs may total the entire interest that is being set aside such that you may not be receiving any of your interest. If you wish to dispute the expenses associated with the return of the money, you may write a brief statement explaining those objections and attach it to this Form. Such objections must be received by _____.

AMOUNT OF PRINCIPAL TO BE DISBURSED: _____

Do you believe that this is the correct amount of money owed to you that was not invested in the purchase of an interest in an insurance policy? Yes No

If you do not believe that the amount listed is the correct amount owed to you, you may write a brief statement indicating the amount you believe you are owed and provide an explanation of why you feel you are owed that amount. Attach any documents which help support that explanation and attach the statement and documents to this Form. The Court appointed Receiver will contact you regarding the disputed amount.

Limited Release

By signing and returning this Disbursement Form, you waive the right to any claims against Union Planters Bank, N.A., Mutual Benefits Corp., Viatical Benefactors, LLC, or the Receiver for return of the specific money you currently have in Union Planters Bank, NA, that was not used to invest in the purchase of an insurance policy as of May 4, 2004. In other words, there is no double recovery. By signing this Form you do not release any claims you may have, which are related to money actually invested in an insurance policy before May 4, 2004.

You must attach a copy of some form of government issued photo-identification (passport, driver's license, etc.) to this Form before disbursement will be made and mail it to the address listed at the top of this form.
