**RECEIVER'S OMNIBUS OBJECTIONS TO  
CERTAIN CLAIMS RECEIVED IN THE CLAIMS PROCESS**

Roberto Martínez, as the court-appointed receiver (“Receiver”) of Mutual Benefits Corp., Viatical Benefactors, LLC, Viatical Services, Inc., and Anthony Livoti, Jr. and Anthony Livoti, Jr., P.A. solely in their capacity as trustee, hereby gives notice that the Receiver has served objections to certain of the Claim Forms received in the Claims Process and hereby files the attached Omnibus Claims Objection.

To recap, here is where the Claims Process stands at this point. On April 3, 2008, the Court entered its Order Authorizing Claims Process [D.E. 2058]. The Receiver subsequently sent out 49,127 Claim Forms to investors and other creditors. (One Claim Form was sent out for each policy interest, so some investors received multiple Claim Forms.) The deadline for returning the Claim Forms was July 22, 2008. To date, 36,572 Claim Forms have been returned.

On each Claim Form, the Receiver pre-printed the amount of the investor's initial investment with MBC. The Claim Form indicated that the Receiver intended to recommend that amount to the Court as the amount that should be recognized as the investor's claim, but gave the investor an opportunity to disagree with that amount and seek additional or different damages as his or her claim amount. During the past 90 days the Receiver's staff and Viatical Services, Inc. have spent a great deal of time reviewing and categorizing the returned Claim Forms. The staff at Viatical Services, Inc. also worked diligently during this period of time to resolve issues with numerous deficient Claim Forms with a large number of investors, so that the Claim Forms could be accepted and treated as undisputed.

The great majority of the Claim Forms (87.6%) have been returned without any objection to the Receiver's recommended claim amount. 4,520 Claim Forms have been returned with some form of disagreement with the recommended claim amount or request for additional damages. Assuming the investment amount is ultimately treated as the recognized claim amount, these Claim Forms represent claims for damages totaling \$731,679,815.66.

The most common categories of disagreement are indicated with the following shorthand on the attached Omnibus Claims Objection:

- **“Claims Investment Return”**: These are claims where the investor has sought the amount they expected to earn on their investment with MBC in addition to the amount they invested.
- **“Claims Delay/Interest/Lost Time”**: These are claims where the investor has sought damages for the delay in their policies maturing “on time” in the form of interest or some other form of interest on their investment.
- **“Claims Consequential Damages”**: These are claims where the investor has sought some form of consequential damages, such as attorney's fees or other costs incurred or pain and suffering, as a result of their investment with MBC.

- **“Claims Premiums/Administrative Expenses”**: These are claims where the investor has sought to recover the administrative fees and premiums that they have had to pay on their “Keep Policies” to keep them in force.
- **“Multiple Disputes”**: These are claims where the investor raised more than one of the above grounds as the basis for their disagreement (most often both a claim for investment return and a claim for lost interest).
- **“Claims Unstated”**: These are claims where the investor indicated that they did not agree with the Receiver’s recommended amount, but did not give an explanation of why or indicate what amount they did seek in damages.

On this date, August 21, 2008, the Receiver is sending letters to each of these investors stating that the Receiver objects to their claim in part, providing a short description of the basis for the Receiver’s objection, and reiterating the amount the Receiver will recommend as the claim amount. The Receiver has also received Claim Forms from 18 trade creditors and is sending a letter today to each of them to give them notice that the Receiver may seek the subordination of their claims to the investors’ claims and/or rejection of their claims. The Receiver has also posted information on the Receiver’s website, [www.mbreceiver.com](http://www.mbreceiver.com), so that claimants can look up whether the Receiver has objected to their Claim Form.

Pursuant to the Order Approving Claims Process, the recipients of the Receiver’s objections have until September 22, 2008 to respond to the Receiver’s objection by stating their position, and they must do so if they wish to maintain their position. During this period of time, the total number of disputed claims thus may decrease from the present figure. After the September 22, 2008 deadline, the Receiver will assemble all of the responses into categories of objections and make an omnibus filing of them with the Court. The Receiver will also file an additional Omnibus Report identifying the disputed claims that still need to be resolved by the Court and a brief setting forth the grounds and legal bases for the Receiver’s objections. The Court has scheduled a hearing for October 21, 2008 at 2:00 pm to resolve what types of claims will or will not be recognized.
